FINANCE AND COMMERCE.**FINANCIAL**

NEW YORK, August 21.—Money—Abundant supply at 1½ per cent; closed at 2 per cent.

Prime Mercantile Paper—5½ per cent.

Sterling Exchange—Bankers' bills dull at \$4.83.

Governments—Good demand; 4½ higher, 3½ shade easier at close.

WALL STREET, August 21—10:45 A. M.—At the opening the morning Denver advanced to 21, but subsequently the bears raided the stock and price fell rapidly to 21. Other active shares were heavy and depressed down to 21, the latter in Louisville & Nashville. The break in Denver is in the revival of the unfavorable rumors of yesterday.

11 A. M.—The suspension of Scott & Knight, bankers and brokers, No. 6, Wall street, is announced. Both are members of the stock exchange. Liabilities about \$15,000. Stocks firm; Denver is up to 23.

12:30 P. M.—In regard to the Scott & Knight failure it is stated the firm never was considered a strong one. They were in trouble last week, but helped to cover. The failure is ascribed to the recent decline in Denver and Reading. No stocks closed out yet for their account. Stocks steady to strong at present time.

Stocks to-day have been, to most operators, confusing; yet it is pretty clear that a majority of stocks have passed into hands which hold them with comparative firmness. The raiding process attempted at the opening had only a temporary effect. As compared with yesterday's closing prices the market showed an advance of 4½ per cent.
